

CSE-4155 Introduction to Machine Learning Lab
4th Year 1st Semester, 2025 (Held in Feb, 2026)
Department of Computer Science and Engineering, University of Dhaka
Course Instructor: Dr. Muhammad Ibrahim, Associate Professor
Lab Instructors: Dr. Mosarrat Jahan, Dr. Muhammad Ibrahim, Mr. Aminul Kader

Lab 3 (01-04-2026)

In this lab,

- 1) We shall discuss with individual project groups and finalize their titles.
- 2) The groups then will download a sample machine learning dataset (eg. from Mendeley data repository) and apply some data augmentation techniques as described here:
<https://www.sciencedirect.com/journal/data-in-brief/about/policies-and-guidelines/data-in-brief-policy-for-machine-learning-image-datasets>
